Situation Report

Severe Storms

August 3, 2006 Daily Summary

UPDATED INFORMATION IS IN BOLD

SUMMARY

A Federal disaster declaration was received on July 21, 2006, (FEMA-3267-EM), for City of St. Louis, and the counties of St. Louis, Dent, Iron, Jefferson, St. Charles, and Washington. FEMA is authorized to provide debris removal and emergency protective measures, (Categories A and B), under the Public Assistance program, at 75 percent Federal funding. On Tuesday, SEMA conducted Public Assistance Applicant Briefings (for Governmental entities) for St. Louis City and St. Louis County. Additional briefings will be scheduled for other affected areas in the coming days. **Daily conference calls with effected jurisdictions have been concluded as of 1100 hours 8/03/06.**

Dent County	N/A	N/A	Damage Assessment not required at this time
Iron County	N/A	N/A	Damage Assessment not required at this time
St. Louis City	0	45	9 Businesses damaged (1 Major – 8 Minor
St. Charles Co & St. Charles City	To Be Completed	To Be Completed	Joint FEMA/SEMA damage assessment requested

City of St. Louis

Health officials continue to monitor illnesses that could be linked to eating spoiled food. City crews have removed an estimated 70,000 tons of debris through Monday. City crews are continuing debris removal activities. Operation "Weather Survival" is on-going. Public Safety Director Mr. Simon thanked SEMA and staff for all their support. Mr. Simon requested that the MoNG support mission to the City of St. Louis be concluded at 1900 hours this date. SEMA and the MoNG are honoring this request.

St. Louis County

St. Louis Emergency Manager forwarded communication requesting mission for MoNG supporting Salvation Army operations in their jurisdiction be concluded. This request has been honored by SEMA and MoNG. No requests for additional food resources are pending at this time. A pre-planned food distribution in two areas, one near Lambert Airport and one in the City of St. Louis will take place on August 4 and 11, with approximately 5,000 food packages

distributed by Red Cross, Salvation Army and Compassionate Alliance. St. Louis County continues to operate approximately 6 cooling stations in the county. They are also in the process of testing and inspecting over 200 warning sirens comprising their early warning system throughout the county. Debris removal continues with the contractor fully engaged in operations. The county has discontinued its shelter operations, although officials are maintaining capabilities to open up facilities should the need arise as it gets warmer throughout the week. 28 cooling stations are operational today. 9 dumpsters have been set up around the county to collect spoiled food. MRE's are still available at several distribution sites. Eight cooling centers are operational in the county.

Washington County/City of Potosi

Mayor of Potosi is coordinating with AmeriCorp on continuing assistance for debris removal from private residences who need help with this issue. FEMA/SEMA staff are meeting with local officials today on available assistance programs, at 1300 hours local time.

AmeriCorp has a team in place to assist with recovery efforts and debris removal projects. They are also setting up an information hotline for residents to call with recovery questions. Mayor of Potosi asked for DNR to contact and assist in a controlled burn request. Mayor of Potosi reports crews continuing work on debris removal. Mayor Dudley of Potosi reported debris removal continues in the city, and that they are very appreciative of assistance from State Agencies. Mayor requested and was given contact number for Missouri Department of Insurance in Jeff City.

State Actions

Governor Blunt announced on Thursday that his request to the U.S. Department of Agriculture (USDA) to waive their 10-day rule to file for replacement Food Stamps has been approved. Food stamp recipients now have until August 18 to request help. The Governor also issued a public service announcement warning citizens of carbon monoxide poisoning due to running generators without proper ventilation.

State Emergency Management Agency (SEMA) continues to operate the State Emergency Operations Center (SEOC) at a Level-1 activation. SEMA **returned** to normal operations on Friday **July 28th**, and through the weekend, although personnel staffing a Joint Field Office (JFO) will be working this weekend. A joint FEMA/State Joint Field Office (JFO) has been established at: 13397 Lakefront Drive, Earth City, MO 63045 SEMA has also dispatched personnel to serve as representatives on Joint SEMA-FEMA Preliminary Damage Assessment teams. Mr. Nichols asked all jurisdictions to please call on SEMA for any issues they may still have outstanding and none were raised.

Briefings for city, county and state officials on the PA application process will be held as follows:

The briefings for local officials in Dent County will be 1 p.m., August 3, at the City Administration Building, 400 North Iron, Salem.

The briefings for local officials in Iron County will be 10 a.m., August 4 at the County Courthouse Commission Office, 250 South Main, Ironton.

The briefings for local officials in Jefferson County will be 10 a.m., August 4 at the County Courthouse Commission Assembly Room, 729 Maple, Hillsboro.

The briefings for local officials in St. Charles County will be 10 a.m., August 2 at the St Charles City Police Dept Community Room, 1781 Zumbuhl Rd., St. Charles.

The briefings for local officials in Washington County will be 1 p. m., August 3 at the County Courthouse Commission Chamber, 102 North Missouri, Potosi.

The State Agencies Briefing will be 10 a.m., August 8 at SEMA SEOC, Jefferson City.

The Missouri National Guard (MONG) has 0 soldiers currently on disaster support duty in Missouri today. All troops have returned to regular duty status and are engaged in maintenance, re-equipping and re-supplying activities in order to be in optimal status for future missions.

Missouri State Highway Patrol (MSHP) is augmenting law enforcement efforts in Washington County. On Wednesday, the patrol flew an assessment team over Washington County to determine locations of citizens who may still need help.

Office of Administration (OA) has also been coordinating delivery of food, water, ice, and generators since the storm moved through the area last week.

Department of Health & Senior Services (DHSS) has distributed a press release on food safety. DHSS reports more than 100 nurses and nursing assistants have responded to the public service announcement aired over the weekend. DHSS is working with Ameren to restore power to elderly care facilities that were identified on Monday. Only 1 nursing home remains without power.

Missouri Department of Transportation (MoDOT) is reviewing a request from St Louis County to provide debris removal assistance in the affected area. Otherwise, state highways in the metro area are near normal. MoDOT has also been reviewing requests for over-dimension shipments (i.e. overweight/oversize) on an expedited basis.

Missouri Department of Insurance (MDI) is providing a consumer information hotline for people to call with questions on their insurance policies. The number is 800-726-7390 and is staffed from 8am-5pm on weekdays. **Mayor of Potosi was given contact number for MDI in Jefferson City this morning reference an insurance question.**

Department of Labor & Industrial Relations (DOLIR), Division of Employment Security is providing a 30-day extension for 2nd quarter contribution and wage reports. Companies who lost power in St Louis, Dent, Iron, Jefferson, St. Charles, or Washington Counties or in the City of St. Louis will not be assessed penalties if the report and request for extension is received by August 31. Contact DOLIR at 573-751-3441 for more information.

Department of Mental Health (DMH) has a toll-free number (1-800-364-9687) for shelters and agencies to provide to anyone who may need assistance.

Department of Natural Resources (DNR) is working with local officials on providing guidance for disposal of spoiled food items. DNR has received notice that water samples provided by the City of Potosi have tested negative for bacteria. DNR has issued a debris waste waiver for yard waste.

Department of Social Services (DSS) continued to report lighter traffic at their Family Services offices in the St Louis area on **Monday**. DSS has also coordinated deliveries of water to St Louis City and deliveries of water and MREs to Washington County. DSS continues to work on mass care requests for affected jurisdictions. Social Services offices in the effected areas report they have returned to normal operations as of today, 8/02/06.

Federal Actions

FEMA Legislative Liaison teams are making contact with representatives of elected officials in the effected counties today.

Federal Emergency Management Agency (FEMA) is operating a Joint Field Office (JFO) in St Louis County, **at 13397 Lakefront Drive, Earth City, MO 63045.** The FCO, (Federal Coordinating Officer) and DCO (Defense Coordinating Officer), along with SEMA staff are working together at this location.

Other State Agency and Volunteer Agency Actions

The Salvation Army (TSA) is operating a feeding center capable of producing 35,000 hot meals per day. Those meals are being distributed to sites throughout the metro area. American Red Cross (ARC), Southern Baptist, and numerous volunteer agencies continue to work with affected households across the area. Americorps teams are becoming operational to help with volunteer support coordination, and assist special needs populations with debris removal and other activities.

Weather

National Weather Service – Is **continuing** their Excessive Heat Watch to an Excessive Heat Warning for St Louis City, St Louis County and St Charles County. The upgrade takes effect Noon on Saturday July 29, 2006 and runs through

7:00pm on Wednesday August 2, 2006. **A break in the heat was experienced across Missouri last night and continues today, due to a cold front moving across Missouri from NE to SE, where temperatures will return to normal for the season, in the mid 80's to low 90's. The cold front will continue to move slowly across the state through Thursday and early Friday bringing a chance of showers and thunderstorms and cooler temperatures. Highs this afternoon will rise only into the upper 80's to lower 90's. Warmer temperatures will once again build into the region by Sunday.**

Point of Contact:

SEMA Duty Officer after hours (Starting at 4:30 pm) number is 573-751-2748. During normal duty hours calls should be made to 573-526-9100.
